

RUBAN M

Address: Ruban M s/o Muthaiah G 733 52 home 3rd street
SN Puram road Thiruthangal 626130.

Country: India

Pin Code: 626130

Phone: 9384490390

Email: dkrkumar8585@gmail.com

<https://www.linkedin.com/in/dk-kumar-81385b343/>

<https://github.com/dkruban>

Skills:

- Web development skills
- Git version control
- VS Code proficiency
- AI prompt design
- Soft Skills:
- Collaborative teamwork
- Creativity
- Editing video and image

Achievements

- (OB)office beard in Reader's Club in my college and i organized more event's related to my club
- Completed Python fundamentals and practice problems on HackerRank.
- AICTE Parakh certification completed .
- In Spoken Tutorial RDBMS PostgreSQL certification course completed.
- Achieved A+ Grade in Robotics, Velammal TechSavvy Summer Camp (2016)
- In football organised by velammal vidyalaya,anuppanadi got merit certificate for 2nd place.

languages

- English
- Tamil
- Telugu

Hobbies and Interests

- Football
- Cricket
- Chess
- Building projects dependently & independently

- AI Prompter and Project Builder using artificial intelligence to generate code and deliver complete projects end-to-end, combining prompt engineering and multiple AI tools to transform ideas into functional, visually engaging digital solutions through efficient AI-powered workflows.

EDUCATION:

- B.E.Computer Science and Engineering 01/2025
Mepco Schlenk Engineering College - Sivakasi
CGPA: 6.2
- Diploma Computer Science and Engineering 01/2023
Arasan Ganesan Polytechnic College
GPA: 74.74%

My Projects

- **AIC(AI COMMANDER)** - An AI-powered web platform that integrates multiple advanced tools to generate websites, automate tasks, and enhance productivity through intelligent workflows. It includes features like AI website generation, multi-AI tool integration, real-time responses, user-friendly interface, and seamless backend connectivity using modern web technologies and APIs. link:-the-aic.onrender.com
- **COFAI(CODE FUTURE AI)** -An AI-powered coding assistant platform built using modern web technologies like HTML, CSS, JavaScript, and backend frameworks with AI API integration to deliver smart features. It teaches programming from basic to advanced with voice guidance, gamified levels, scoring system, and certificate generation for tracking progress.
- i have some other project's in my github page click and view all my repo -
<https://github.com/dkruban>

Team Projects:

- Vehicle Rental System – HTML, CSS, JavaScript, MySQL
Web app where users can log in, view available vehicles, and book rentals. Admins manage vehicles and customers using CRUD operations.
- Note Sphere – Flutter, Dart, Firebase
Mobile app that lets users securely add, edit, and delete notes. Notes sync instantly to the cloud through Firebase Authentication and Firestore.
- College ERP System (Ongoing) – Node.js, MongoDB, HTML, CSS, JavaScript
ERP web system for colleges enabling students, faculty, and admin to manage profiles, attendance, marks, and leave requests in real time.
- Garbage Cleaning & Assigning System – Python, PyCharm, Mobile Edge Computing
Web app where users report garbage with photos; the system detects waste type and quantity, logs complaints with location, and lets admins track and resolve issues. Users can rate cleanup (1–5 stars).

Certifications:

- NPTEL Certifications – Practical Cyber Security for Cyber Security Practitioners
- Rotary Youth Leadership Award – Held from 23rd to 25th September 2022; secured Overall First Prize
- Second Prize – Computer Skills Competition, Velammal Residential School (Inter-School Event)
- AI Conclave Certificate – Completed AI-related courses, Mepco Schlenk Engineering College
- A+ Grade in Robotics, Velammal TechSavvy Summer Camp, 25th April 2016
- NSS Certificate – Ministry of Youth Affairs & Sports, Arasan Ganesan Polytechnic College (2020–2022)
- NSS Special Camp – 10th to 16th March 2022, Arasan Ganesan Polytechnic College

Industrial Visit :

- Industrial Visit – Idhayam (Spell Health Factory Visit), Arasan Ganesan Polytechnic College, 26th September 2022
- Industrial Visit – 8Queens Software Technologies Pvt. Ltd., Mepco Schlenk Engineering College
- Industrial Visit – Monolith Research and Training Labs, Mepco Schlenk Engineering College
